

Date: Jan 10, 2026

To Whom It May Concern,

This is to confirm that **Md Tanvir Parvez** worked as an **Unpaid Research Assistant (Remote)** under my supervision at **Qatar Computing Research Institute (QCRI)** from **March 1, 2024, to March 30, 2025**.

During this period, Mr. Parvez worked remotely in close collaboration with me on challenges in artificial intelligence and natural language processing. His responsibilities included designing and conducting experiments, prototyping implementations, developing research methodologies, and contributing to projects at the intersection of machine learning, natural language understanding, and data-driven systems. He demonstrated strong technical skills and a commitment to advancing research objectives through innovative problem-solving and rigorous analysis.

As a remote research assistant, Mr. Parvez participated in collaborative research efforts that align with QCRI's mission to advance computing research across diverse domains, including artificial intelligence, machine perception, data mining, and software systems. His contributions were valuable to the research activities conducted under my supervision.

This confirmation has been issued at the request of the above-named individual without any obligation or liability (financial or otherwise) on the part of Qatar Computing Research Institute or Hamad Bin Khalifa University.

Should you require any further information, please do not hesitate to contact me.

Yours faithfully,

Md Rizwan Parvez

Ph.D. in Computer Science, University California Los Angeles (UCLA), USA.

Scientist, Qatar Computing Research Institute (QCRI), Doha, Qatar
